

Irish Blood Transfusion Service: Blood Donor Clinics **(<https://www.activelink.ie/node/105250>)**

Irish Blood Transfusion Service

The Irish Blood Transfusion Service (IBTS) is the statutory body with responsibility for the national blood supply. The IBTS also provides testing and tissue services to hospitals and is responsible for the Irish Unrelated Bone Marrow Registry. The IBTS is committed to the highest standard of service delivery to our donors.

We need 3000 donations every week. Every donation can save up to 3 lives.
