

Dublin Outreach (<https://www.activelink.ie/node/106973>)

Dublin Outreach is an assertive street outreach service provided by Dublin Simon Community in partnership with the Dublin Region Homeless Executive.

This service engages with adults who are rough sleeping, supports them into short term homeless accommodation, and makes appropriate referrals to permanent housing options especially Housing First. The service also ensures that people experiencing rough sleeping are linked with other appropriate housing and health services to prevent further rough sleeping.

Dublin Simon Community has been working with rough sleepers in Dublin for more than 50 years and we are experienced in addressing the challenges that this vulnerable group faces. Our team is out on the streets 365 day a year and operates in all areas of Dublin city and county.
