NOVAS is a not for profit organisation and Approved Housing Body. We work with single adults, couples and families who are homeless or at risk of being homeless. We provide a range of support services and accommodation. We have over 300 staff, and more than 30 services in Limerick, Dublin, Clare, Kerry, Cork and Tipperary including residential homeless services, social housing and community based services for tenancy sustainment, homelessness prevention, mental health and recovery.

Since 2002, McGarry House works towards a low threshold, harm reduction approach. We do not put barriers in place for entry and accept clients as they are. We seek to reduce the harm in the behaviour of clients and ultimately stem the patterns that led to homelessness for them. McGarry House works to care and case management protocols, holistic needs assessment and trauma informed approaches. It is this approach that now informs the nature of care provided to NOVAS clients in all our services and underpins our client centred approach.

NOVAS is a Trauma Informed practice organisation and the principles of collaboration, diversity, respect and trust are embedded in our way of working together. Our services are provided through support of our partners in local government through the Local Authorities, HSE, and other donors and funders
