

Dignity4Patients CLG (<https://www.activelink.ie/node/103046>)

Dignity4Patients is a registered charity (CRA 20074463/ CHY19093) setup in 2010 to provide support, advocacy and information and accompaniment services to support victims and survivors in dealing with the trauma of sexual abuse in healthcare settings.

Our objective is to help victims and survivors with their wellbeing, to assist them to seek justice and enhance their empowerment in recovery. In doing this, we aim to raise awareness of the risks of patient sexual abuse in professional healthcare services and the public in general to protect and prevent others from harm.
