Age Action's Getting Started Computer Training (https://www.activelink.ie/node/106975)

Getting Started Computer Training

Age Action's Getting Started is a free digital literacy programme, helping older people to get online, or use their smart device with confidence. Age Action's Getting Started is the first *competency-based* digital training for older people in Ireland.

To date over 46,000 older people have already completed Getting Started courses with Age Action.
