

IICP College: Master's Level 9 Degree in Integrative Child & Adolescent Psychotherapy **(<https://www.activelink.ie/node/107182>)**

Master's Level 9 Degree in Integrative Child & Adolescent Psychotherapy

Introduction

Child and Adolescent Psychotherapy is a specialised area of practice. This Master's programme will equip learners with the necessary knowledge, skills, and competencies to meet the therapeutic needs of children and adolescents.

With a strong focus on excellence in clinical practice, learners are fully supported in making the transition from being a practising therapist with adults to clinical work with children and adolescents. A safe, nurturing environment is fostered through established links with an on-site placement centre.

Who Should Apply

This 2.5-year programme will be of interest to practising therapists and play therapists who wish to extend their existing qualification in counselling and psychotherapy to master's level and work with children and adolescents.
