About Us

The Brothers of Charity Services Ireland, Limerick Region, provides residential, educational and day services for people with intellectual disabilities, autism and communication disorders throughout Limerick City and County.

The Role of a Social Care Worker

Social Care Workers fulfil a key worker supportive and advocative role for individuals supported by the service. The Social Care Worker role is to support the person in all aspects of their life focusing on the individual's ability and promoting independence and development of skills at all times. You will assist in all aspects of the practical tasks associated with the daily life of the person supported. The Social Care Worker will assist and support people who use the service with development of their individual person centred plans and the achievement of associated outcomes, and critically, will support people who use the service to make informed choices and fulfil their potential. They will encourage participation in the community through inclusive and creative thinking, seek opportunities for new experiences and encourage positive risk taking in leading to informed choices.

We require bright ambitious individuals who have a positive attitude towards working with persons with an intellectual disability and who are committed to ensuring that our persons supported lead as normal and enjoyable a life as possible. In return for this dedication and commitment we offer the following:

- HSE payscales
- Premium Payments
- Sick Pay Scheme
- Paid Maternity Leave
- Defined Benefit Pension Plan
- Flexible Working Hours
- Training and Development

- Career Progression
- Employee Assistance Programs
