The Irish Global Health Network are offering Tuition Scholarships X2 for the Leadership Essentials in Global Health: Summer Programme worth €1500.

Deadline is the 15th May 2023

Dublin, Ireland - The Irish Global Health Network is proud to announce the launch of "Leadership Essentials in Global Health," a five-day intensive summer programme designed to equip participants with practical skills for leading global health programmes.

Hosted by the the IGHN at the Centre for Global Health in Trinity College Dublin, the programme will take place from August 19-24, 2024.

With a focus on addressing the training needs of aspiring professionals in the global health sector, this programme offers the opportunity for participants to enhance their leadership capabilities, broaden their technical expertise, and contribute to positive change in global health practice.

Key highlights of the programme include:

- Tailored Practical Curriculum: Participants will engage in interactive sessions, workshops, and case studies covering topics such as project management, community engagement, health equity, and more.
- Expert Facilitators: Reputable and experienced experts and practitioners in global health will lead sessions, providing valuable insights and practical guidance based on their years of experience in the field.
- Networking Opportunities: Participants will have the chance to connect with peers, mentors, and industry leaders, fostering collaborations and expanding their professional network.
- Scholarship Opportunities: IGHN is offering two tuition scholarships to support individuals with limited financial resources who demonstrate a strong commitment to advancing global health.

"We are excited to launch the 'Leadership Essentials in Global Health' programme, which aims to empower individuals from diverse backgrounds to become effective leaders in the global health arena," said Nadine Ferris France, Executive Director at the Irish Global Health Network.

"We believe that by equipping participants with the necessary skills and knowledge, we can drive positive change and contribute to improving health outcomes worldwide."

Registration for the programme is now open, and interested individuals are encouraged to visit www.globalhealth.ie/ghleadership-2024 (<http://www.globalhealth.ie/>) for more information on key features of the programme, scholarships available (deadline May 15) and to secure their spot.
