

ECO-UNESCO: Marketing & Communications Manager (Part Time) **(<https://www.activelink.ie/node/107893>)**

About ECO UNESCO

We are Ireland's leading environmental education, training and youth organisation and a Quality and Qualifications Ireland training Centre (QQI), working with over 10,000 young people annually. We seek to raise awareness of environmental issues by channelling the passion, creativity and energy of young people into positive environmental action. ECO-UNESCO delivers a wide range of youth, education, and training programmes across Ireland to promote the personal development of young people through practical environmental projects. Through our range of programmes and services we inspire, educate, empower and support young people to act.

We work;

- across the island of Ireland.
- to conserve the environment and empower young people.
- with young people in formal and nonformal settings, in secondary schools, youth services and communities across Ireland through our Young Environmentalist Awards, workshops, trainings or one of our affiliated ECO-UNESCO Clubs.
- and with partners in Europe and internationally.

“Our vision is a sustainable world where young people are actively engaged in protecting the environment.”

Our Mission

Our mission is to protect the natural environment and empower young people by developing their knowledge, skills and confidence that channels their passion into positive and creative actions that helps create a sustainable planet.

We do this by;

- Raising awareness, understanding and knowledge of the natural environment among young people.
- Engaging, inspiring and empowering young people by facilitating their personal development and well-being through practical environmental projects, activities and skills development.
- Promoting the protection and conservation of the environment by empowering young people to lead in action-oriented environmental projects and activities and by promoting positive environmental behaviour.
- Advocating for environmental education, education for sustainable development, the natural environment and youth development.
- Promoting the ideals of UNESCO and working with like-minded organisations in Europe and globally.

Our Values

We have **respect** for young people, our participants, volunteers, employees and our stakeholders. In our work we have a **passion** for the environment and for our young people, with an acknowledgement that the natural environment plays an important role in all our lives and in the development and education of our young people. We value youth-led approaches, creativity and innovation, action-based learning and **fun**, as we work together to protect the environment and impact the lives

of young people.

What we do

ECO-UNESCO's programmes empower and support young people to take action to protect and conserve the natural environment.

- We take a youth-centred approach and promote learning for, about and in the environment
- We develop leadership skills, confidence, self-belief and self-esteem
- We provide opportunities for young people to feel socially engaged and make new friends
- We include young people's views – they decide, they plan, they act and they engage their peers.

How we do it
