

Salesforce AI for Non Profits **(<https://www.activelink.ie/node/111814>)**

About this event

We're pleased to invite you to a special Dublin Nonprofit User Group session on the 7th of November at 10am. Although this is earlier than our usual meeting time, it allows us to accommodate our guest speaker, a Salesforce staff member, who will share valuable insights on AI use cases for nonprofits. During this 30-45 minute session, we'll explore how AI could be applied to support nonprofit organizations. We hope you can join us for this insightful discussion.
