

East Clare Community Co-operative **(<https://www.activelink.ie/node/112625>)**

East Clare Community Co-operative Society aims to provide an inviting space within the community to generate viable and sustainable activities which support the development of the individual and the community.

East Clare Community Co-operative Society Ltd has been a cornerstone of educational, social, cultural, and entrepreneurial activities in the community. We are dedicated to delivering meaningful and lasting change to all members of our community. As a social enterprise co-operative, we offer a variety of interdependent activities, from support services and training programmes to cultural events and enterprise facilitation.

We partner with a diverse range of individuals and organisations, combining skills to drive positive change. Visitors are invited to explore our garden, browse our bookshop, and enjoy the relaxed atmosphere of the Garden Café.
