

Children's Residential Service: Social Care Worker **(<https://www.activelink.ie/node/115049>)**

Join our team as a Social Care Professional in a Children's Residential Service

Are you looking for an exciting and rewarding opportunity? Are you passionate about supporting young people in a secure and therapeutic environment to reach their full potential? Do you want to be recognised, valued and supported to progress in your career as a Social Care Professional?

We are a new, exciting organisation committed to providing trauma-informed responses to young people living in Children's Residential Service. We are looking for like-minded professionals to join our team in supporting young people in a therapeutic environment.

Job Description – Social Care Worker

The Social Care Professional, in accordance with our organisation's values, will be responsible for:

- Working directly within the care team to ensure the best interests of the young person.
- Participate in meetings to ensure the child's voice is heard.
- Advocate for the young person to ensure their rights are being met.
- Liaise with various stakeholders and external organisations relating to the young person while adhering to confidentiality.
- Ability to build rapport with young people, staff and external agencies.
- Providing information and support to young people by responding to their individual needs as they arise in a calm and responsive manner.
- Support the young person to develop their independence skills for example, cooking, cleaning, shopping, budgeting, transport, etc.
- Identify potential risks associated with the young person and discuss with management.
- Debrief with management following an incident.
- Adhere to all policies and procedures.
- Excellent communicator both written and verbal and the ability to maintain accurate records.
- Ability to respond to incidents in a trauma informed manner.
- Excellent ability to work as part of a team and on your own initiative.

Essential Criteria

- Candidates must hold one of the following qualifications
 - Level 8 in Psychology
 - Level 7 or Professional Practice Qualification in Child & Adolescent Psychotherapy
 - Level 7 or Professional Practice Qualification in Counselling / Psychotherapy
 - Level 7 or Professional Practice Qualification in Addiction Counselling
