

Clanwilliam Institute (<https://www.activelink.ie/node/115074>)

Our mission is to make therapy accessible to all, respecting diverse families, relationships, and cultures. Together, we create safe spaces for healing and growth - where every voice matters, and every story is heard.

Aims & Objectives:

- Provide systemic psychotherapy services that are accessible, inclusive, and family-centred.
- Deliver evidence-based parenting programs and mental health supports within communities.
- Train future mental health professionals through accredited clinical and professional education programmes.

Areas of Work:

- Systemic Family Therapy
- Mental health
- Child and Adolescent Mental Health
- Parenting Support
- Clinical Training & Supervision
