- A recognised diploma / trade qualification in Carpentry area or similar
- A relevant education / training qualification, e.g. Train the Trainer
- At least 3 years relevant work experience in a similar field
- Experience of working with young people aged 16 – 21 years
- A learner centred and flexible approach to training and meeting learner needs
- Good Information Technology Skills
- Excellent communication and teamwork Skills
- An awareness of QQI **Level 3 & 4** related modules and the National Framework of Qualifications

Applicants ideally should have experience of delivering QQI **Level 3 & 4** training modules in the following subjects: Woodcraft, Construction Studies, Health & Safety Awareness, and Technical Drawing.

Duties will include:

- Assessment and monitoring of learner course work in the relevant skills area to QQI **Level 3**
- Assisting with the planning, development and implementation of CTC programmes and services within a Quality Assurance framework and other duties as appropriate
- To deliver training in modules which lead to the QQI Level 3 & 4
- To provide a Keyworker support service to learners
- Supervision of learners
