**Applications are invited for the following position**

### **Youth Worker**

An exciting opportunity has arisen for a dynamic, energetic and enthusiastic person to join the Youth Work Team at Belvedere Youth Club CLG (BYC). We have an immediate vacancy for a youth worker based in Dublin 1.

### **About Belvedere Youth Club**

BYC is a youth service based in the north east inner city of Dublin which has been working with young people in this community since 1918. Staffed by a team of specialists and a professional youth work team, BYC provides a range of services and supports to our young people, including a drop in service, an extensive after school programme, a targeted youth work programme, a Summer Residential Programme, educational supports and a volunteer-led evening and night time activity based programme.

Dublin's north east inner city has been one of the most disadvantaged and marginalised communities not just in Dublin, but nationally. Study after study has highlighted the impact of this social disadvantage. The community and the young people with whom BYC works are affected by high levels of unemployment, exposure to street level drug and alcohol misuse, poor health and associated health outcomes and a lack of access to structured social and leisure activities.

BYC's aim is to provide a comprehensive youth service to young people in the North East Inner City. In that context, BYC teams work together to implement a model that allows for a universal drop in service (after school and week day evening programmes), complemented by more targeted youth work interventions. This delivery model has been developed with the aim of engaging our young people through universal services. Through this contact time, young people are identified and supported to participate in more structured strands of youth work including in the following programme areas:

- Formal Educational Support
- Drug and Alcohol Awareness
- Sexual Health and Awareness
- Sports Inclusion
- Arts, Crafts and Creativity
- Residential Programmes
- Seasonal Programmes
- Drama and Youth Theatre

In addition to this BYC also have a justice project.
