# Age-Friendly AI Showcase at IMMA for Bealtaine Festival 2025 (https://www.activelink.ie/node/115428)

**Can art and Artificial Intelligence (AI) shape a more age-friendly future? Join the conversation at the 'Age-Friendly AI' showcase at IMMA this May.**

The 'Age-Friendly AI' initiative is a conversation around Ageing and the impact that AI can have in our lives as we grow older. An interactive showcase at the *Matheson Creativity Hub in Memory of Tim Scanlon*at IMMA on **Saturday 10 May 2025 between 11:00 – 16:00** will celebrate creativity and active ageing as part of the Bealtaine Festival at IMMA.

We'll be exploring the exciting intersection of art, AI and memory through a unique blend of interactive exhibits, thought-provoking pop-up talks and engaging discussions. Experience the power of intergenerational creativity with an exhibition exploring art, AI and memory.

This interactive showcase event highlights the potential of Artificial Intelligence for an age friendly future, inviting you to imagine the possibilities and contribute to the conversation. Participate in open workshops, consider current AI dilemmas and connect with researchers and artists over coffee and conversation. Discover how creative activities can empower active ageing and shape our understanding of emerging technologies.

All are welcome to this free, drop in event and you don't need any prior experience with Artificial Intelligence to participate.
