

## **The Barnardos Big Toddle is back!** **(<https://www.activelink.ie/node/115528>)**

This year marks the 22nd anniversary of our exciting half-mile sponsored walk for crèche and pre-school aged children. Since our very first Big Toddle, young children from crèches, playgroups, preschools, and families across the country have come together to support this much-loved campaign, raising an incredible €4.84 million.

As they toddle their way to raise funds to support our work, these young children truly are our heroes. They can feel super proud that they are supporting vulnerable children their own age. We celebrate our littlest fundraisers with our very special theme, **Big Toddle Little Heroes**.

All funds raised directly support Barnardos' Early Years Services (<https://www.barnardos.ie/our-services/work-with-children/early-years-services/>) where we work with some of the youngest and most vulnerable children, ensuring they get the best possible start in life – just like their peers. By joining our Big Toddle, you will be helping to make a real, lasting difference.

Together we can help to change the story for these children. Because childhood lasts a lifetime.
