Schools Coordinator **(part-time) Midlands, West and North West**

Schools of Sanctuary is a stream of Places of Sanctuary Ireland. We are dedicated to creating inclusive and welcoming educational environments for students from diverse backgrounds, especially families seeking International Protection. Our mission is to support primary and post primary schools across Ireland to develop and strengthen a culture of inclusion, integration, and diversity among students and their families, especially refugees, migrants, ethnic minorities, and other marginalised communities. We have strong connections with over 270 schools of which over 50 have been nationally awarded Champion Schools of Sanctuary.

We are seeking a dedicated and experienced individual to join our team as Schools Coordinator for the Midlands, West and North West.

The Schools Coordinator will play a crucial role in growing participation of new schools in our network and supporting those new and existing schools by directly working with teachers to facilitate, include, and integrate students from diverse backgrounds.
