

National Women's Council: Women's Health Officer **(<https://www.activelink.ie/node/115619>)**

NWC is currently recruiting for a

Women's Health Officer

This is a critical time for women's rights. As the leading representative organisation for women and women's organisations with almost 200 member groups across the island of Ireland, we are at the forefront of campaigning for women's rights and equality.

We are now seeking a Women's Health Officer to lead and support our work on women's reproductive health and rights, mental health, and access to inclusive, high-quality health services. This is an exciting opportunity to shape feminist health policy and drive systemic change through research, stakeholder engagement, and collaboration with our diverse membership and civil society partners.
