

Delta Centre: Care Assistant & Social Care Worker - Residential Service (<https://www.activelink.ie/node/115721>)

RESIDENTIAL SERVICE

Delta Centre residential service provides a service that best meets the needs of people with moderate to profound intellectual disability, ASD, mild Intellectual disability with associated syndrome and or physical or sensory disability.

CARE ASSISTANT

The Care Assistant is responsible for providing day-to-day personal care and support for the learners of Delta Centre. The Care Assistant must have the desire and the belief that the person with an intellectual disability has something unique, equal, and important to offer society.
