Access Europe is inviting proposals from qualified vendors to redesign and develop its website, www.accesseurope.ie (<http://www.accesseurope.ie/>). The objective is to create a modern, user-friendly, and accessible site that effectively supports our mission and engages our target audience. In addition to a content update, we aim to enhance the website's design and incorporate new features and functionalities.

[Access Europe \(https://www.accesseurope.ie/\)](https://www.accesseurope.ie/) is a support and capacity-building programme designed to help Irish civil society and social enterprise organisations access EU funding and engage in EU policy. It is funded by the Department of Foreign Affairs and delivered by The Wheel, Ireland's national association of charities, community, voluntary organisations and social enterprises.
