(<https://www.activelink.ie/node/115827>)

Promoting and Protecting Human Rights

Join us for a sponsored hike of Mount Brandon to raise funds for our work empowering migrants and refugees building their lives in Ireland. Together, we will climb in solidarity for a more welcoming and just society.

Climb Mount Brandon with Doras

On 28th June, join us as we hike one of the highest mountains in Ireland, Mount Brandon, and **help us raise funds** for our work with migrants and refugees building their lives here.

Every step taken during **Hike for Rights supports Doras' mission** to protect and promote the rights of migrants, asylum seekers, and refugees in Ireland.

Funds raised help us:

- Provide immigration advice and direct support
- Advocate for fair and humane immigration policies
- Support victims of hate crime and exploitation
- Empower refugee communities to thrive in Ireland

Don't miss this opportunity to climb Mount Brandon with like-minded people while **raising vital funds** for an organisation working on the ground with families and individuals seeking protection in Ireland.

A good fitness level is required.
