

Virtue Integrated Care: Intellectual Disability Nurse **(<https://www.activelink.ie/node/115847>)**

Intellectual Disability Nurse

Garristown Day Service

Location change from next Summer to Balbriggan

The Role

This role will form part of a new team, responsible for delivering a tailored day service to a small number of young adults with ASD. The service is focussed on supporting them on their transition from school to adult services. The role will initially involve, home support, outreach work and centre-based activity support so will be varied in nature. It is expected the service will grow to support a larger number of individuals in 2025.

Please see Job Description attached below.
