Aftercare Service Coordinator (Social Care Leader) - Dublin

APPLY HERE (<https://api.occupop.com/shared/job/aftercare-service-coordinator-dublin-so-91352>)

About Barrog Healthcare Aftercare Services:

We provide dedicated aftercare services for care-experienced young people, providing support and accommodation for those aged 18-23. Our focus is on developing independent living skills and supporting young people in reaching their own goals in life, education and professionally, working alongside multi-disciplinary support teams.

Purpose of Role:

The Aftercare Coordinator (Social Care Leader Position) will support Service Management and be responsible for selected tasks and duties relating to the management and effective delivery of Barróg Healthcare Aftercare Services in their assigned area. The key to success is to work on his / her own initiative to resolve and prevent issues through a proactive, collaborative and structured approach.

We have a small, friendly, team environment and work on a collaborative and genuinely supportive basis. If you have a positive approach and are willing to learn and work hard then this may be the role for you.

The Aftercare Coordinator will assist in the direct line management, supervision and leadership for an Aftercare team in accordance with the service delivery model. They will work as part of a multiagency response, working in partnership with the parents, family, and other partnership agencies on behalf of the young person / young adult to ensure that they receive services which are proportionate to identified needs and risks. There will be a requirement to help plan, update, implement and evaluate Aftercare Plans, as part of a multiagency team, contributing to the written and verbal reporting of individual programmes.

The Aftercare Coordinator will contribute to the promotion, creation and maintenance of a welcoming, safe, caring, stable and supportive environment. They will treat young people/young adults with dignity and respect, promoting a culture of unconditional positive regard at all times. They will promote the best interests of young people/young adults and facilitate their participation when planning and reviewing agreed plans with regard to Aftercare service support. They will liaise with other relevant statutory and voluntary services in carrying out the duties and responsibilities of the role.

In the absence of the Aftercare manager the Aftercare Coordinators will deputise for, and assume responsibility for the effective running of the Aftercare service in their absence with support from senior management.

There is a dedicated on-call service in place for teams out of hours. This role may require the post holder to support the on-call service with escalated emergencies from time to time.

The Company:

Barróg Healthcare is a small, private health and social care provider based in Dublin and Cork with services nationwide providing residential care, community outreach and day packages nationwide to enable people who need support across the areas of disability, aftercare, transitional and mainstream social care.

We pride ourselves on working to support and champion both our service users and staff, and welcome applications from any person that feels they would be a good fit within our organisation. Our company culture is about putting people at the

centre of all of our decisions. You will work in a new and growing service and bring your experience and insights to the role in a supportive and collaborative team. The right candidate for this role will strive to enhance the lives of the individuals we support by promoting their community inclusion and equal citizenship and bringing a dedicated team with you on the journey.
