

## **Enclude is getting ready for our 20th Birthday!** **(<https://www.activelink.ie/node/115880>)**

With our 20th birthday just around the corner, and so much changing since 2020, we decided it was time to give Enclude a fresh new look to take into our next decade of operation.

What remains the same is our dedication to our sector, our determination that non-profits should have access to all the benefits technology can offer and our belief that our sector is at its best when we work together to share knowledge, resource and experiences for the good of all.

However, if you take a look around our site, you'll see that it's not just our logo and colours that are different.

- We have new offerings – [eStart \(https://enclude.ie/estart/\)](https://enclude.ie/estart/), [eService \(https://enclude.ie/eservice/\)](https://enclude.ie/eservice/) and [eFundraising \(https://enclude.ie/efundraising/\)](https://enclude.ie/efundraising/). Salesforce starter packages designed specifically for, and in collaboration with, the non-profit sector.
- We have expanded our Membership Services offerings – Membership Services go beyond helpdesk support, and include training, our Enclude Essentials series, our new Members Portal, outsourced System Administrators (Embedded Support), data services and more.
- We have new [Impact Stories \(https://enclude.ie/impact-stories/\)](https://enclude.ie/impact-stories/) to share, and [articles \(https://enclude.ie/news/\)](https://enclude.ie/news/) featuring advice from our clients.

Sign up to our brand-new newsletter to be kept up to date with the latest resources we'll be sharing, as well as news on how we plan to celebrate our 20th birthday next year!

In the meantime, we are looking forward to continuing to deliver on our mission – to maximise the capability, performance and societal impact of charities by providing expert consulting services, technology solutions and products that are both innovative and valuable.
