

Foróige: Mentoring Volunteers **(<https://www.activelink.ie/node/115887>)**

Mentoring programme in North Dublin, Meath and Drogheda areas.

Foróige mentoring is a program that connects young people with mentors who can provide guidance, support, and positive role modeling. It offers various formats, including online, in-person, and group settings, catering to different needs and preferences. Foróige's mentoring initiatives aim to help young people build confidence, develop life skills, and achieve their goals.

We ask volunteers for one to two hours a week for a year to meet a young person between 8-18.
