

Irish Global Health Network: Summer Programme 2025 - Essentials of Global Health Practice **(<https://www.activelink.ie/node/115903>)**

We're excited to invite you to the Summer Programme 2025: Essentials of Global Health Practice, which is dedicated to equipping participants with practical skills for leading global health programmes, particularly in resource-limited settings.

- **Dates:** 14–18 July 2025
- **Location:** Centre for Global Health, Trinity College Dublin, Ireland
- **Accreditation:** 37 Continuing Professional Development (CPD) Points
- **Details & Registration:** globalhealth.ie/summerschool2025 (<https://globalhealth.ie/summerschool2025>)

This immersive, week-long course is designed for individuals passionate about global health, sustainable development, and health equity – particularly in resource-limited settings.

Participants will:

- Gain practical skills in global health practice
- Participate in workshops and interactive sessions
- Connect with a vibrant, interdisciplinary group of global health professionals, researchers, and peers

Whether you're a student, practitioner, policymaker, or advocate, this programme offers a unique opportunity to deepen your knowledge, expand your network, and strengthen your impact in the global health space.

We'd be grateful if you could share this opportunity within your networks – and we'd be delighted to welcome you and your community, this July.
