

Social Justice Ireland: Tracking Distributive Effects of Budget Policy, 2025 edition (https://www.activelink.ie/node/116005)

"Tracking the Distributive Effects of Budget Policy" complements our analysis of Budget 2025. It also provides further assessments of recent distributive choices:

- a distributive analysis of all the income taxation, welfare and cost-of-living measures announced in Budget 2025 and an assessment of the proportion of these that represent temporary income changes;
- a distributive analysis of the permanent changes to income taxation and welfare over the five Budgets delivered by the Government that held office from 2020-2025.
- include an assessment of how the gaps between jobseekers and those on middle and very high incomes have changed over recent years including the impact of the measures in the
