CHEEVERSTOWN

### **Shape Futures. Join Cheeverstown New Directions!**

#### **We're hiring passionate individuals for various roles to empower adults with disabilities**

Are you passionate about supporting individuals with intellectual disabilities? Do you want a career where every day brings new experiences, meaningful connections, and the chance to truly make a difference?

At Cheeverstown House, we are looking for dedicated, caring, and enthusiastic individuals to join our team. Whether you're starting your career or bringing years of experience, if you have a genuine commitment to person-centred care and community inclusion, we want to hear from you!

### **We are currently recruiting for:**

- **Care Assistants**
- **Social Care Workers**
- **Community Inclusion Coaches**

In these rewarding roles, you'll be supporting individuals in our local New Directions hubs to live full and active lives within their communities. No two days are the same – from creative activities and outings to developing independent living skills and advocating for individuals, you'll be helping each person reach their full potential.

### **What we're looking for:**

- Motivated, compassionate, and energetic team players.
- A strong commitment to empowering individuals through a person-centred approach.
- Flexibility and a willingness to work as part of a dynamic and supportive team.
- Knowledge of the New Directions framework.
- Experience supporting people with Autism
- One year experience working in the area of Intellectual Disability is desirable
- A full driving licence is a distinct advantage
- Openness to providing supports across a variety of activities.
- Excellent verbal and written communication skills, including good listening skills.

Join a team where your work truly matters. If you're ready to build a fulfilling career and be part of a supportive community, apply now and help us create opportunities for growth, inclusion, and joy every single day.

Cheeverstown is a voluntary organisation, regulated by the Health Information & Quality Authority (HIQA).

We provide a wide range of person-centred services including residential, respite and day services to almost 400 children and adults with an intellectual disability in the south Dublin area.
