Expression of Interest- Blakestown/Mulhuddart/Corduff Parenting Programme Service

HSE funded programmes - Sláintecare Healthy Communities Programme

The Sláintecare Healthy Communities Programme (<https://www.hse.ie/eng/about/who/healthwellbeing/slaintecare-healthy-communities/>) is a cross-government initiative that adopts a place-based approach to addressing health inequalities. The programme is designed to improve the long-term health and wellbeing of people living in communities across Ireland where health inequalities are most evident. HSE Health & Wellbeing, Integrated Healthcare Area of Dublin North City & West are inviting Expressions of Interest from organisations with a track record of working with disadvantaged communities delivering programmes to improve their physical and emotional health and wellbeing, to coordinate and deliver universally accessible evidence-based parenting programmes.

Expressions of interest are now being invited for the establishment of a new Sláintecare Healthy Communities area, covering **Blakestown, Mulhuddart, and Corduff**.

Background:

The HSE, in partnership with TUSLA, have invited Expressions of Interest from organisations with a track record of working effectively with communities supporting parents, to deliver universally accessible evidence-based parenting programmes.

Organisations selected to deliver parenting programmes as part of the Sláintecare Healthy Communities Initiative will:

- Be funded to deliver a contracted level of service in line with the existing S39 Health Act 2004 Service Arrangement with HSE.
- Have access to funded places on accredited training for the preferred evidence base parenting programme.
- Be supplied with relevant programme materials and resources to support programme delivery.
- Deliver a parenting programme service to parents, guardians and families of children 0-12 years in partnership with the HSE and other key stakeholders targeting a defined area of social deprivation and a wider Community Healthcare Network (CHN) area.
- Provide administration/technical support e.g. IT equipment, confidential client data storage etc.
- Ensure required monitoring and evaluation processes are in place.
- Respond to gaps identified through parenting programmes.
- Complete quarterly reports required under the contractual agreement with the HSE.
- Provide financial reporting of management of budget provided.

Please see Expression of Interest document attached below.
