Do you want to make a real difference through your work?

Join our team at ABI Ireland, be fulfilled, and reach your full potential...

We are currently recruiting for a **Community Rehabilitation Assistant** to work across our **South West Dublin, Kildare & West Wicklow** community.

This is a **Permanent, Part-Time, 19.5 hours** contract.

Starting salary: **€29,417 - pro-rata**

Acquired Brain Injury Ireland provides community-based rehabilitation services for people living with a brain injury in Ireland. Our mission is to passionately serve and empower people impacted by brain injury through personalised rehabilitation and relentless advocacy. Every day we work with survivors of brain injury in their homes and communities, in our Clubhouses and residences, helping them to work towards achieving their personal goals and maximising their independence.

The role of the **Community Rehabilitation Assistant** is to support and assist people with an acquired brain injury on every aspect of activities of daily living to live valued lives of optimal independence and participation in activities within the community. With a person-centred approach, our Community Rehabilitation Assistants assist each individual to plan and direct their lives, meet the needs identified in their individual plan and support outcomes that are meaningful to the person in conjunction with their overall needs, integrating more fully into the community and achieving their potential.

Our Community Rehabilitation Assistants are highly trained specialists and a crucial part of our team. They work with brain injury survivors on a day-to-day basis, providing the guidance and support they need to achieve their own goals. They are expert communicators with hands-on experience of the impacts of brain injury for the person and their families.

Role Responsibilities:

- Form a rapport with persons served and maintain a positive constructive, and professional relationship
- Undertake the role of Keyworker as required
- Provide support to achieve the goals set out in Individual Rehabilitation Plans (IRPs)
- Improve quality of life by developing, encouraging, and supporting the activities of daily living, including personal care
- Encourage family, personal and neighbourhood relationships and interactions
- Develop strategies to maximise the ability of the person, build coping mechanisms for daily living and promote independence
- Working with persons served to ensure they need as little support as possible in the future
- for more detail and a more comprehensive list of responsibilities, please see link below to job description

Essential Criteria:

- A relevant Health or Social Care qualification to a minimum of QQI level 5 standard
- Full driving licence with access to own vehicle
- A person centred approach to supporting people with an acquired brain injury
- Excellent inter-personal and communication skills. Must be able to write and speak English to a high standard
- Good IT skills

Desirable Criteria:

- Previous experience supporting people in the community
- Previous experience of working in an area of disability
- Previous experience of working with people who present with challenging behaviour

Benefits:

- Salary starting point €29,417 - DOE
- Competitive annual leave entitlements
- 2 Discretionary days annual leave (Good Friday & Christmas Eve)
- Paid maternity leave
- Long service awards
- Revenue approved mileage rates
- Comprehensive induction and training programme including specialist brain injury training
- Career development opportunities
- Employee Assistance programme
- Bike to work scheme

If this sounds like you, we would love to hear from you!
