

TASC: Free Financial Resilience Training for Frontline Charity Staff & Volunteers (<https://www.activelink.ie/node/116257>)

Join us for an informative free online training designed to equip frontline charity staff and volunteers in Ireland with the necessary skills to navigate financial challenges.

Since February 2023, Aviva and TASC have been working in collaboration to delivery free Financial Resilience Training (FRT). The goal is to upskill individuals and households to better manage their finances, positively impacting their families and the wider communities.

The training covers topics such as:

- Budgeting and saving
- Managing debt
- Utility costs
- Energy use and the cost of living
- Online tools and services
- Available financial supports

Learn how to support your beneficiaries in managing their finances and strengthening financial resilience in families and communities.
