### **Solace Café Peer Connector - Crisis Resolution Services**

The Solace Café is an out of hours crisis mental health support service delivered by Aware in partnership with the HSE and local mental health services in Dublin. This café forms part of a wider national initiative to develop and expand hours of hours mental health support in line with the Sharing the Vision: A Mental Health Policy for Everyone, and the National Model of Care for Crisis Resolution Services.

Solace Cafés / Crisis Cafés provide an out-of-hours friendly and supportive community crisis prevention and crisis response service in the evenings and at weekends in a café style / non-clinical safe environment. The café service will support individuals and their family members / carers to deal with an immediate crisis and to plan safely drawing on their strengths, resilience, and coping mechanisms to manage their mental health and wellbeing. Attendees can access coping strategies, one to one peer support, psychosocial and recovery supports provided by paid core staff, assisted by a team of appropriately trained volunteers. Those who attend will be signposted to relevant mental health and well-being services and community supports as required.

This new service is reflective of the relationship between the HSE, St. John of Gods, and Aware. Aware, as the community partner, will be responsible for the overall management and delivery of the crisis café service.

Aware is now seeking to recruit a Peer Connector to help deliver our service to people, and their family members / carers, in the community who are experiencing mental health challenges across the spectrum. Please find the job specification for the role of Peer Connector linked to this advertisement.

This is an exciting opportunity to be part of an innovative new service for people experiencing mental health difficulties in the community. If you are interested in joining our team, please review the job specification for the role.
