

Fettercairn Youth Horse Project **(<https://www.activelink.ie/node/12>)**

The Fettercairn Youth Horse Project aims to develop opportunities for social, personal, educational, and vocational development among young people.

Provide the opportunity for young people to develop skills in animal welfare, stable management and horse riding.

Develop employment opportunities for young people in the equine industry.

We run Group/local/private riding and Stable management Lessons that cater for all group types and needs.

The Fettercairn Ranch Club allows local members/youths to visit the project daily and assist with the day to day activities and care of the horses/ponies.
