

Limerick Youth Service (<https://www.activelink.ie/node/149>)

Limerick Youth Service (LYS) is a leading provider of youth work, education, training, employability & volunteering opportunities for young people and, with almost fifty years' experience, is to the fore in providing quality youth led programmes.

Mission Statement:

"To support and encourage young people to be active participants in shaping their futures"

Aims:

- *Service Delivery:* Delivering comprehensive and accountable services that are young people centred
- *Participation:* Supporting young people to experience participation and citizenship thus strengthening their involvement in community life
- *Advocacy:* Giving young people a voice in how they live, learn, work and play and protecting and safeguarding their interests
- *Leadership:* Inspiring others with direction and insights by modelling values, ethics and skills
- *Partnership:* Working with others to enhance achievements and opportunities for young people
- *Excellence:* Work to achieving best practice in all activities and services.
