

Irish Anti-Vivisection Society (IAVS) **(<https://www.activelink.ie/node/15>)**

The IAVS campaigns peacefully for the law to be changed so that all animal experiments will be abolished.

We believe it is morally wrong to deliberately inflict pain, suffering, emotional harm and death on animals for whatever purpose.

The IAVS also maintains a Humane Research Fund to support development of vital non-animal based testing & research.
