

Dublin Central Mission (<https://www.activelink.ie/node/15514>)

DCM is a not for profit agency of the Methodist church, our focus is to demonstrate faith in action by running a city mission, serving the most vulnerable people in our society.

At our city centre base we facilitate and run a number of social action projects. We also care for older people, operating a Care and Nursing Home and two Sheltered Housing complexes.

Abbey Street Methodist Church and Blanchardstown Methodist Church are our two spiritual homes and we have a monthly meeting for prayer, praise and Bible study at Ashtown. The members of our congregations are drawn from a wide section of society and represent many nationalities. We are united by our vision to **welcome**, **serve** and **support** those who need it most.
