

The Hope Foundation (<https://www.activelink.ie/node/171>)

The Hope Foundation was set up in February 1999 by three Cork women with a combined 35 years experience in development work. The Foundation works primarily with the street children in Calcutta and the subsequent difficulties that these children encounter.

The Hope Foundation is committed to providing development for the underprivileged and vulnerable child/person living in difficult circumstances by acting as a facilitator through procurement of funds, staff capacity enhancement, technical support and social, economic and spiritual development where necessary.
