

ChangeX (<https://www.activelink.ie/node/20025>)

ChangeX is a marketplace of proven ideas that makes it easy for people to get the one idea they are passionate about (or several ideas) started in their communities.

ChangeX supports people in starting ideas like CoderDojo, Fighting Words, Irish Men's Sheds or Fáilte Isteach, just to name a few. The ChangeX mission is to build community wellbeing by unleashing the potential of changemakers everywhere.
