

ATD in Ireland (<https://www.activelink.ie/node/21542>)

All Together in Dignity – ATD Fourth World is an international human-rights organisation that works through grass-roots projects in partnership with people living in poverty. All around the world, it remains focused on constantly reaching out to the most vulnerable families, those who have a long history of poverty and educational disadvantage even in the so-called developed countries.

For the past 15 years, **ATD in Ireland** has been close to family members facing persistent poverty and struggling daily to live in dignity.

People volunteering on long term with ATD usually discover a new approach to poverty and democratic issues. They enter a network of volunteers committed all around the world in 100 projects and 40 countries. They attend international trainings abroad.
