

Dublin Multicultural Resource Centre **(<https://www.activelink.ie/node/230>)**

We are a community based organisation open to all nationalities and ethnic groups which is committed to promoting and celebrating the development of a multicultural society through the integration of established and new communities living in Ireland.

Aims:

- To provide resources, support and training to established and new communities
- To support training for community development organisations
- To use community development principles to promote cultural diversity and combat racism and discrimination in Irish society
- To influence public policy at local and national level
- To promote and celebrate multiculturalism
- To promote and support the network of local groups and organisations

Activities:

- Information and access to library and resources
- Desk and office space for use by groups
- Multicultural activities and events
- Internet facilities for member groups
