

Northside Partnership (<https://www.activelink.ie/node/276>)

The Northside Partnership is a local company working with local people, representatives from communities, the state, employers, trade unions and elected representatives.

We work to improve the opportunities for people and communities in north east Dublin to bring about positive changes in their own lives and in their community.

We offer a range of programmes and services to support individuals, local organisations, groups and communities in the areas where we work. To see the areas that we prioritise in Dublin 3, 5, 13 and 17, [please click here](http://northsidepartnership.ie/where-we-work) (<http://northsidepartnership.ie/where-we-work>).

We support all people and groups in our community including people looking for work, students, people starting their own business, children and families, young people, older people, parents and guardians, and childcare providers.

Our work is funded by the Irish Government, charitable organisations and private sources.
