

Sophia Housing Association (<https://www.activelink.ie/node/292>)

Sophia Housing is a weaving of holistic support for marginalised people to enable them to become aware of their own inner strengths and potential, so that they may participate fully in society.

The aim of our association is to provide low-cost affordable housing enabling all persons to live independent lives with varying degrees of support. We aim to provide an integrated service for women and men who would otherwise be unable to set up home on their own and to help them develop their fullest potential, and to become responsible citizens.

Sophia Housing Association will provide different types of accommodation, depending on people's needs and our service will include the following:

- Transitional Programmes.
- Long-Term Housing for Single Persons and Families.
- Nurturing Place for Children.
- Wisdom Centre.
