

Alliance for Animal Rights (<https://www.activelink.ie/node/3>)

Alliance for Animal Rights [AFAR] is a Dublin based Animal Rights group established since 1989.

We actively campaign on issues such as Fur Farming, Greyhound Racing, Veganism, Vivisection and Blood Sports.

We perceive Veganism as the moral baseline of the animal rights position.

We reject violence to all sentient beings.

We promote activism in the form of direct action, vegan education and the exposure of animal violations and injustices

In other words 'we agitate, liberate and educate'
