

Community Finance (Ireland) (<https://www.activelink.ie/node/309>)

So what are we?

We're a charity, a social enterprise, an all-island of Ireland business – with a mission. To create a world-class community finance system that works tirelessly towards ensuring that positive social impact is felt – not just dreamt.

And we're getting there.

Ever since we first opened our doors we've worked with capital providers & clients to help see the change and make the change, across the Voluntary, Community and Social Enterprise sector

Today we're the fastest-growing dedicated social finance provider on the island of Ireland.

But there's still more to be done.
