

Caring and Sharing Association (CASA) **(<https://www.activelink.ie/node/314>)**

Casa is a voluntary organisation supporting people with disabilities throughout Ireland. Casa organises social activities, respite breaks and pilgrimages to Lourdes. We also operate a respite house in Malahide, Co Dublin.

CASA's mission is to provide quality respite breaks and social opportunities to people with disabilities and their families, in an atmosphere of friendship, trust and mutual respect, enhancing quality of life and providing a welcome break for both the person with disability and their families.

CASA provides an important resource to the community, in particular to families with a person with disabilities, through the provision of periodic respite breaks and other services.
