

ALISON (<https://www.activelink.ie/node/316>)

ALISON - the Global Learning Experience - is a FREE learning resource of interactive certification-based learning. ALISON stands for Advance Learning Interactive Systems Online. The learning is provided free of charge to individual learners.

The mission of ALISON is to enable anyone, anywhere, to educate themselves for FREE. Through ALISON, the cost-barrier to learning can be removed.

Through the ALISON Learning platform we can assist people around the world in educating themselves, thereby creating a more equitable and sustainable global society.
