

Christian Blind Mission (CBM) **(<https://www.activelink.ie/node/325>)**

Based upon our Christian principles, Christian Blind Mission (CBM) exists to cure and prevent blindness, deafness and other disabilities.

We also support blind, visually impaired and otherwise disabled people in those areas of greatest need worldwide. We do this through medical intervention, education and rehabilitation, emergency relief and in capacity building through training, research, advocacy and awareness creation.

In order to achieve this we seek to generate income from individuals and organisations and by developing partnerships internationally.
