
Educate Together (<https://www.activelink.ie/node/343>)

Educate Together is a modern, dynamic charity that is redefining standards in inclusive, learner-centred education. It is providing a long-overdue choice of equality-based primary and second-level schools for thousands of families in Ireland. It is working to transform the learning environment for all pupils so that they are properly prepared for life in the twenty-first century.

Educate Together is an independent NGO that works with many supporters and partners. Our schools are state-funded, child-centred and democratically run. These schools guarantee “equality of access and esteem to students irrespective of their social, cultural or religious background.”
