### **About the organisation:**

The Matt Talbot Community Trust, based in Ballyfermot, provides support for individuals in recovery from addiction and returning from prison. We run a drug free community education programme endeavouring to create change from a grass roots level. We work to tackle the unique social issues that lead to problem drug use and criminal behaviour through the provision of quality education and structured person-centred supports.

### **Mission Statement:**

Empowering adults who have experienced contact with the criminal justice system and/or addiction to effect positive and enduring change through the provision of a quality education and support system.
